

OrbitalOptimization

```
graph TD; A[OrbitalOptimization] -- 2 --> B[include];
```

The diagram illustrates a process flow. At the top, a light blue rectangle with a dashed black border contains the text 'OrbitalOptimization'. Inside this rectangle, centered, is a smaller black-bordered rectangle containing the text 'Localization'. A blue arrow points downwards from the bottom center of the 'Localization' box to a light blue rectangle with a dashed red border below it. The number '2' is written in blue above the arrow. The bottom rectangle contains the text 'include'.
