The diagram illustrates the include relationships between three C++ header files. The top box (grey) represents `/include/GHFElectronicEnergyCalculation.hpp`, the middle box (white) represents `/include/GHFSCFSolver.hpp`, and the bottom box (white) represents `/include/gqcp.hpp`. Blue arrows indicate the direction of the includes: from the middle box to the top box, from the bottom box to the middle box, and a curved arrow from the bottom box back to the top box.
